

POLKADOT CUPCAKE BOX

Free printable (personal, non-commercial use).

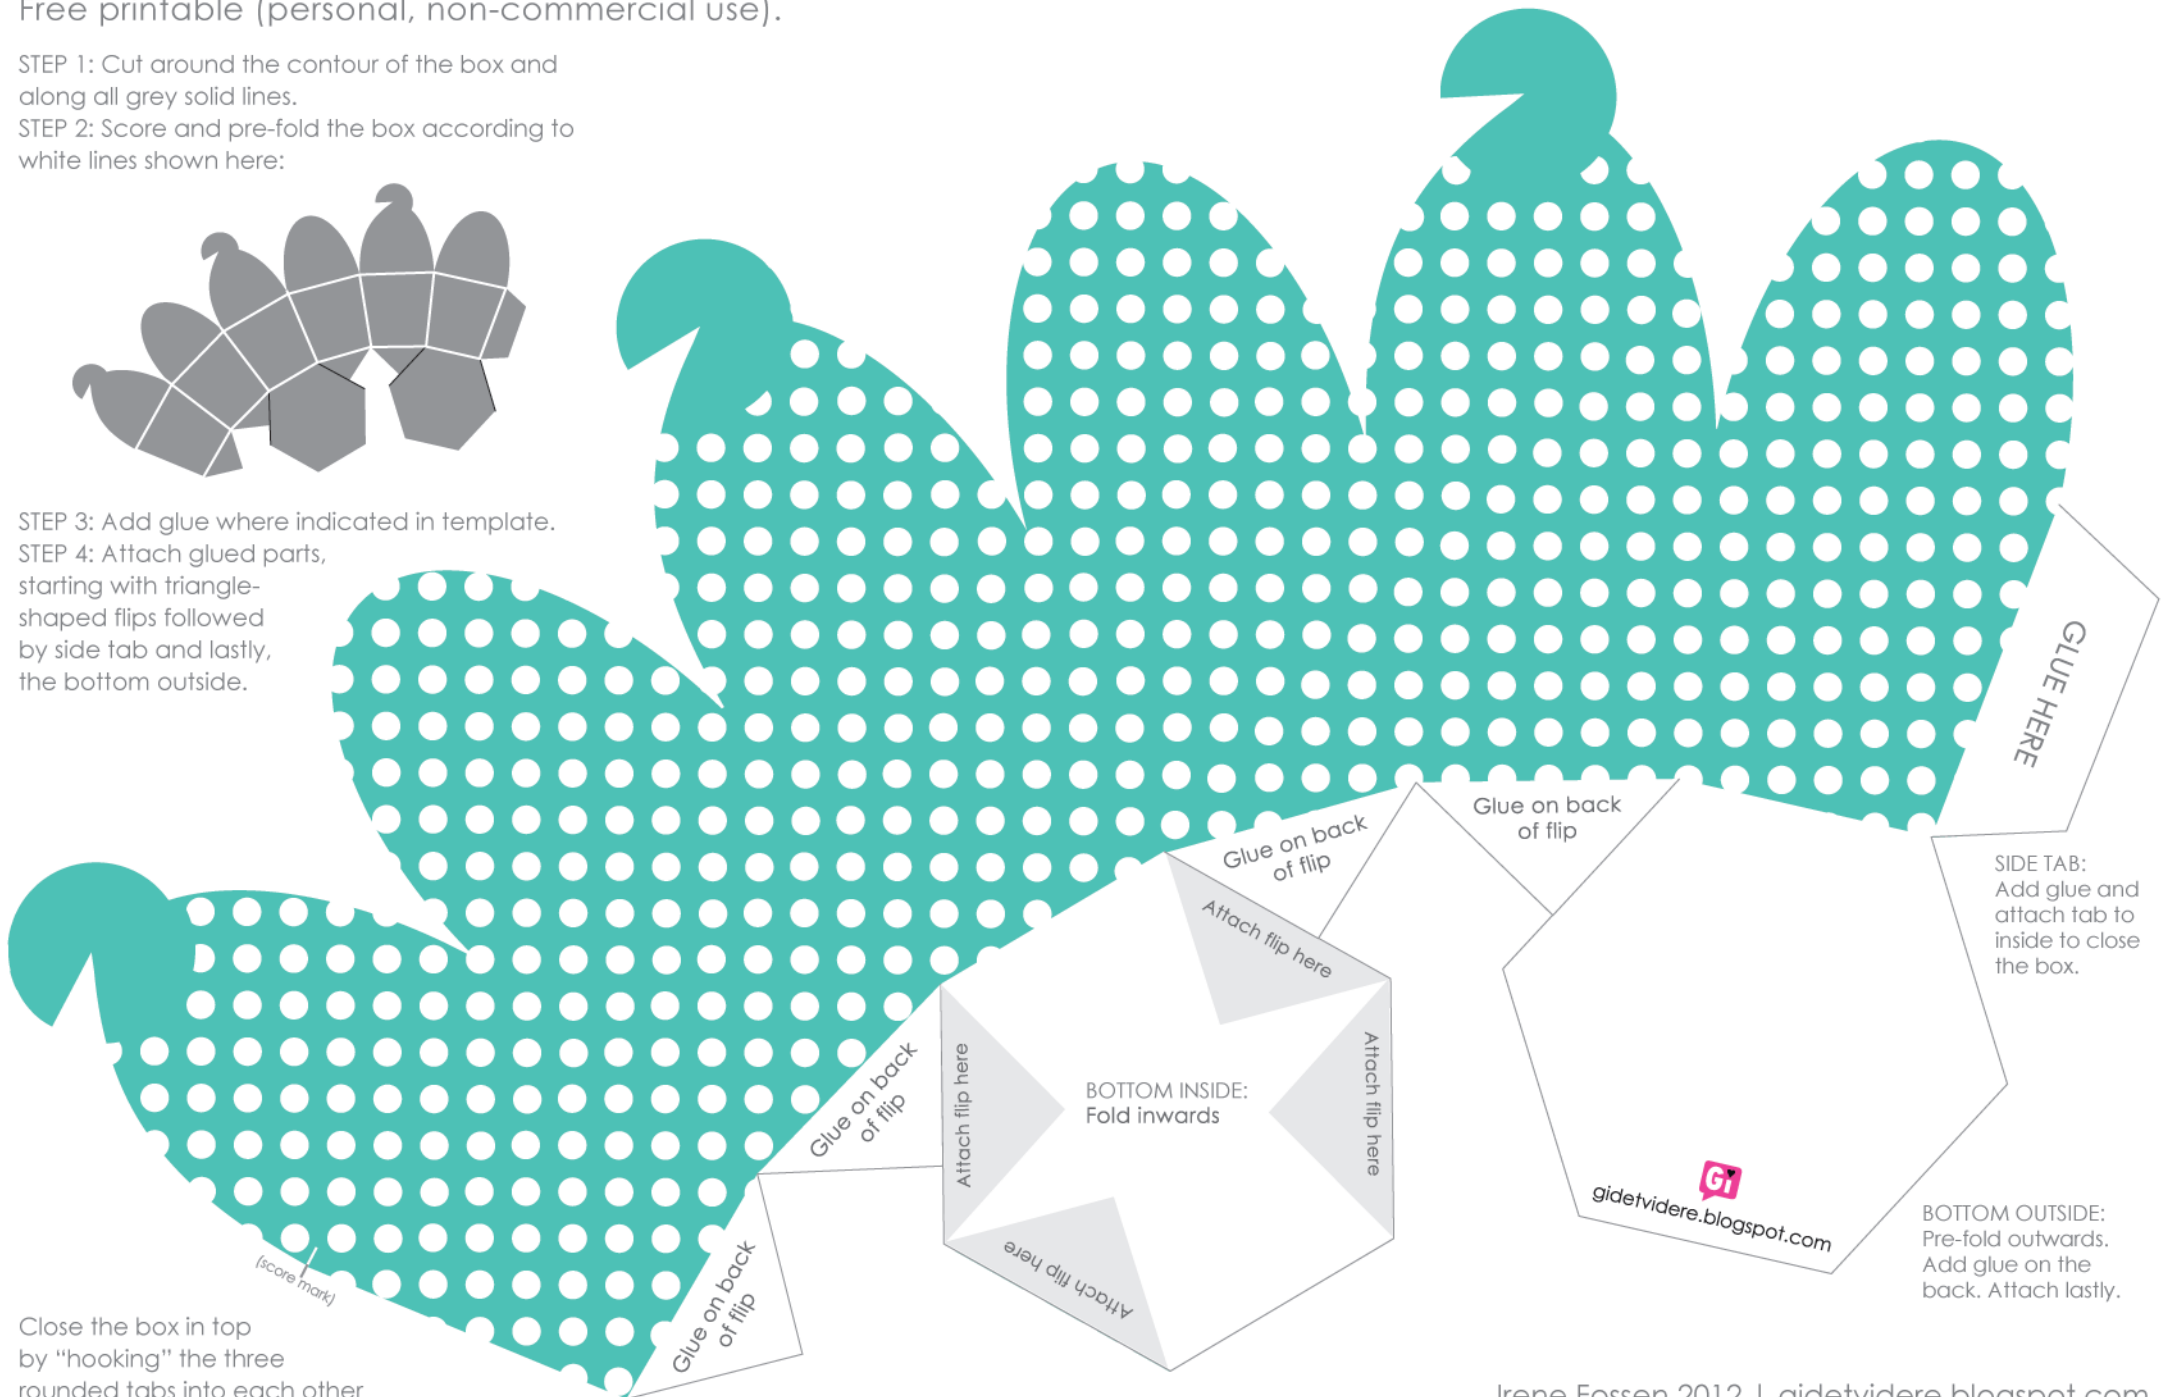

STEP 1: Cut around the contour of the box and along all grey solid lines.

STEP 2: Score and pre-fold the box according to white lines shown here:

STEP 3: Add glue where indicated in template.

STEP 4: Attach glued parts, starting with triangle-shaped flips followed by side tab and lastly, the bottom outside.

Close the box in top
by "hooking" the three
rounded tabs into each other
